

FP Industries Inc.
PERFECT ALIGNMENT EVERY TIME...

MLM SERIES

RED LIGHT LASER

This industrial laser generates a completely uniform (non-Gaussian) line. Its unique desing makes it perfectly watertight. The optional mounting bracket will allow 3-way positioning and is resistant to vibrations. A 5-way positioning bracket is also availbe. The different colors of the casings represent different power which make is easy to identify.

Highlights

- **Non Gaussian line.**
- **Our brightest red laser.**
- **Sophisticated optics.**
